
Every international student in France
has a senior who helped them.

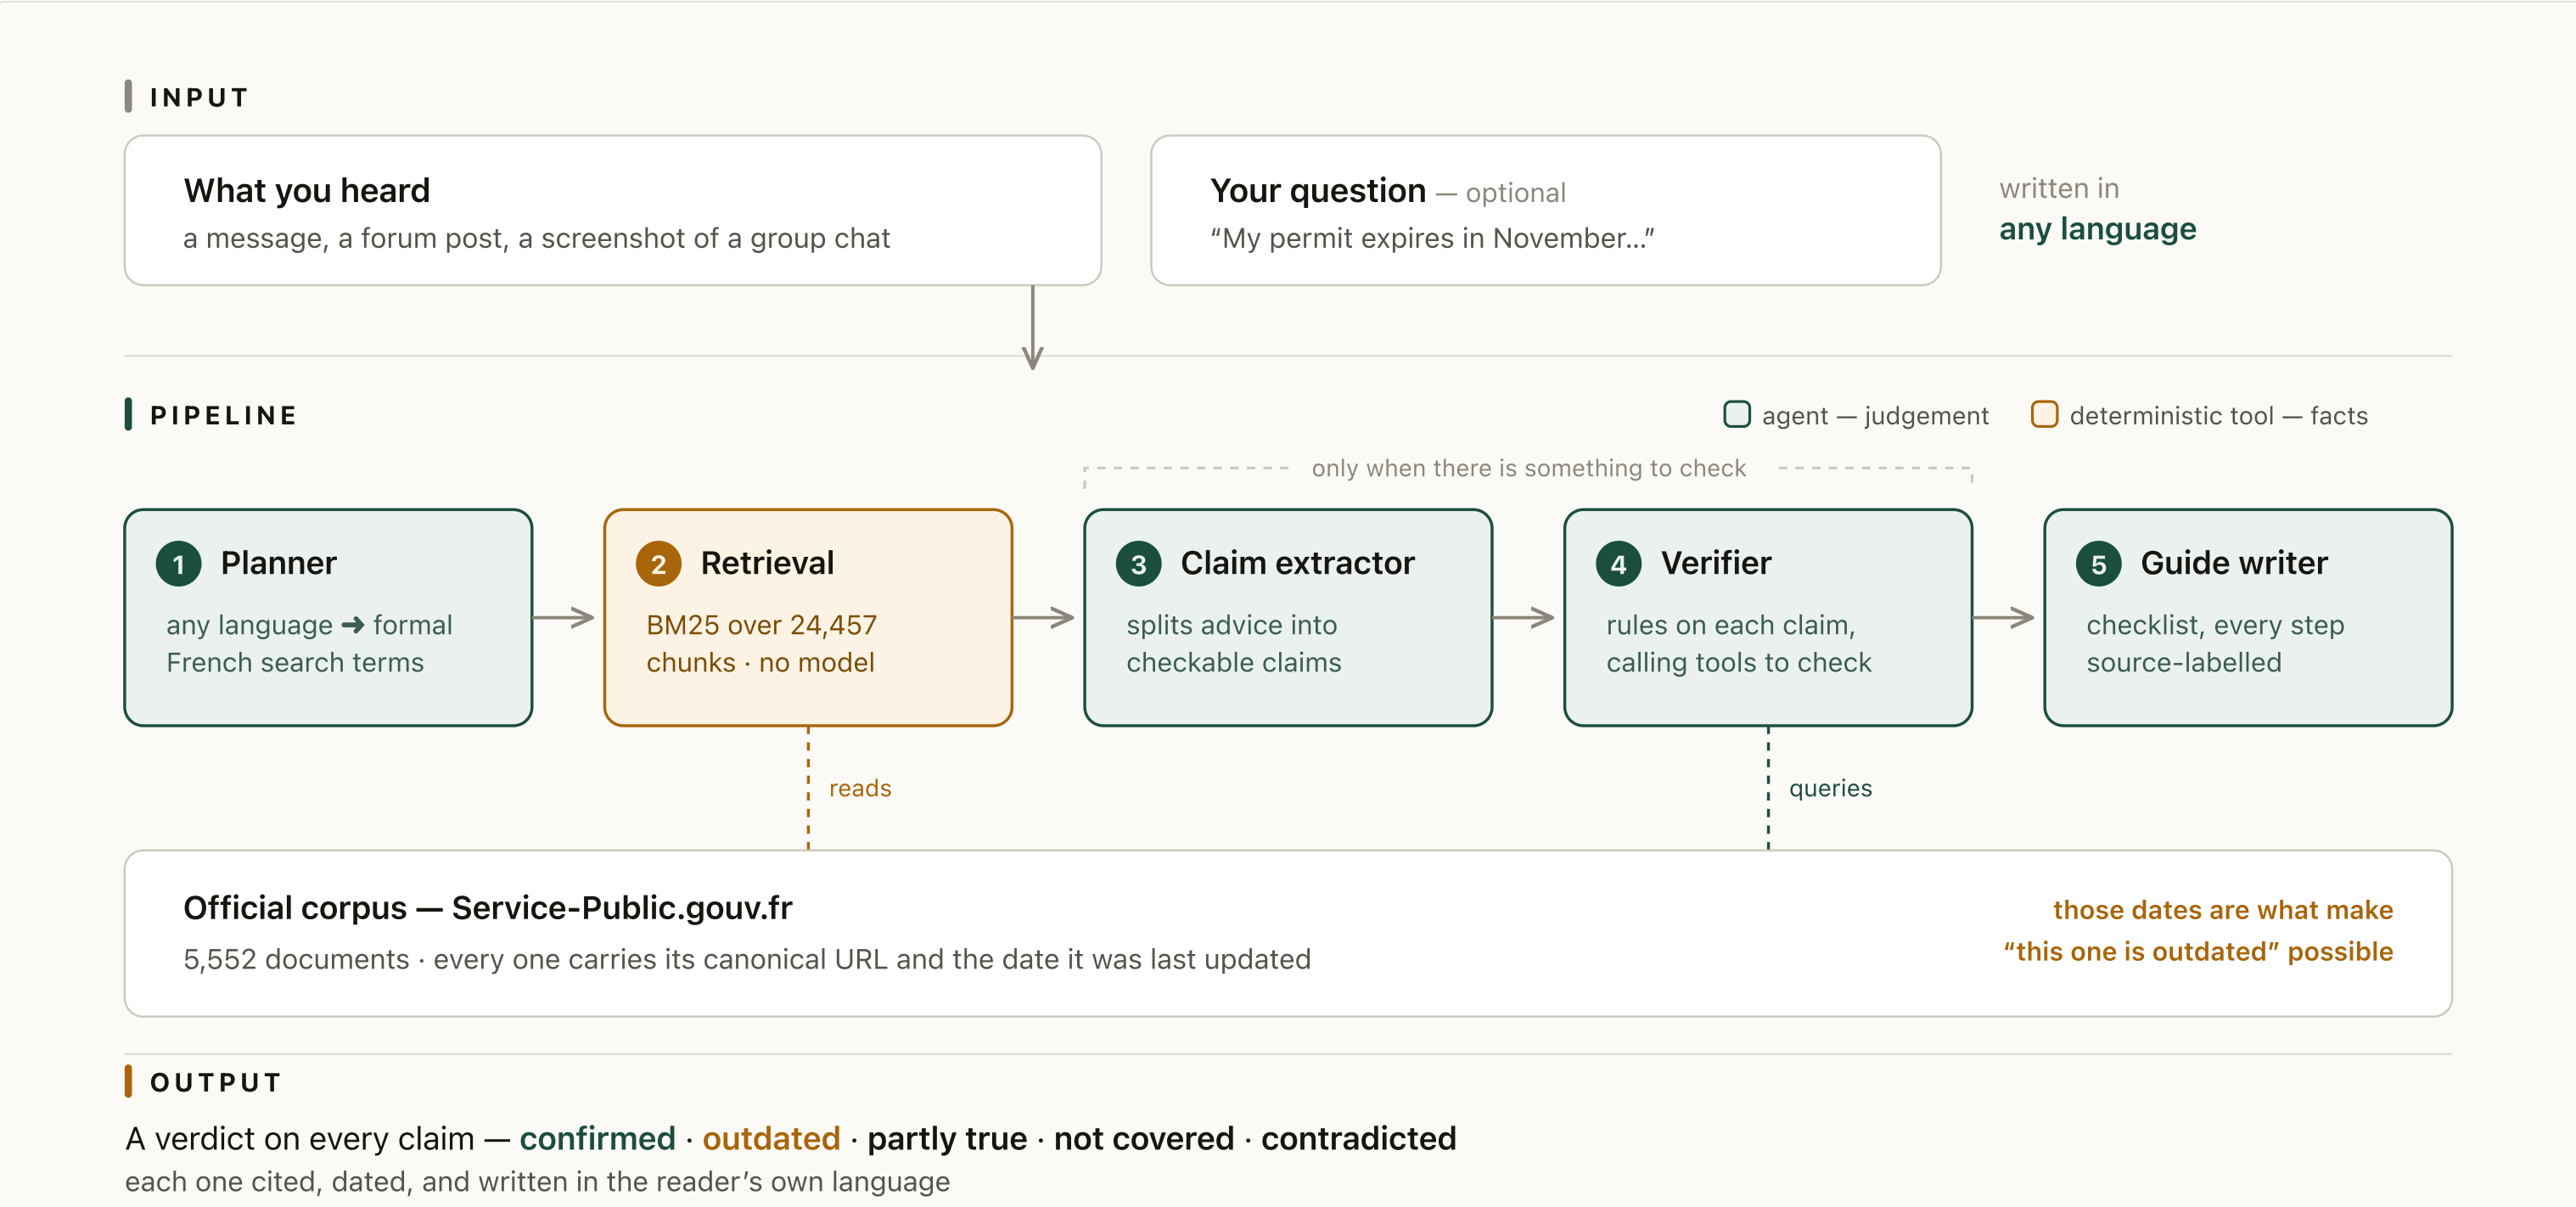

That advice is generous.
It's specific.

And it's usually from last year.

HEARSAY

Checks the paperwork advice international students pass around against **dated official French sources** — and tells you exactly what changed.

■ **Green** — agents make judgements. ■ **Amber** — deterministic code supplies facts.

445,000

international students in France, 2024–25

Almost all of them get through this
on *hearsay*.
